From there, it qualifies them to move on to the AMA Texas State Championship Final and be crowned STATE CHAMPIONS!!! Each District Championship also has its own prestige and overall awards.

One of the best parts that make the competition even more fierce is you don't have to be from Texas to compete for the Texas Title!!! The racer can also choose to participate in any district they want!!!

Awards for 1st through 5th are presented at each district race. AMA District Series overall awards 1st through 5th place presented at the final round in each district. Riders must be present at the final round to receive overall awards and contingency.

The top five riders which accumulate the most points at the end of each district series will receive overall awards and contingency for that district.

Riders must compete in at least 4 of the 5 rounds in District 41; riders must compete in at least 4 of the 5 rounds in District 20; riders must compete in at least 3 of the 4 rounds in District 42 and be at the final round to be eligible for overall awards and contingency.

District 20 – Top 16 riders in each class advance to the State Championship

District 42 – Top 8 riders in each class advance to the State Championship
*****Riders must compete in at least one District qualifier round and be in the top 16 in points for District-41 and District-20 to advance to compete in the AMA Texas State Championship Final. (Top 8 in District-42) *****

Mini Moto Triple Crown Series:

Remember, if you have a 50cc, 65cc or 85cc rider, be sure you get your ticket for a chance to win one of three Honda Navies. The drawing for the navies will be held at the final round of the AMA District 20 Championship Series held at Rio Bravo motocross park located in Houston Texas. District 20 awards first through fifth at every round, MMTc awards first through third at every round. Overall Awards for D20 and MMTc are 1st thru 5th!
