INFORMATION ON SERIES:

Each year motocross riders in the great state of Texas have the opportunity to earn their place in history, to be awarded, and acknowledged as Texas AMA District Champions in all three Texas Districts! From there it qualifies them to move on to the AMA Texas State Championship Final and to crowned STATE CHAMPIONS! Each district championship also has its own prestige and overall awards.

One of the best parts that make the competition even more fierce is you don't have to be from Texas to compete for the Texas Title. The racer can also choose to participate in any district they want.

 District 20 – Top 16 riders in each class advance to the State Championship
 District 42 – Top 8 riders in each class advance to the State Championship

*****Riders must compete in at least one District qualifier round and be in the top 16 in points for District 41 and District 20 to advance to compete in the AMA Texas State Championship Final. (Top 8 in District 42) *****

ALTERNATE RIDERS:

Alternate riders may enter the event and represent their district provided they have raced and accumulated series points in their district. You can only race in classes that you raced in your district and collected points. **You can only race if there is a vacant gate spot in your class.** Qualified riders will have first choice in picking gates in every moto.
